

Your reference number is FS-Case-54298850.

Thank you for submitting Comment on a planning application

Title: Mr

First name: Roger

Surname: Cousin

your address:

Postcode	Find address?	House Name / Number	Street or Road name	Town
SK11 9PD	No	26	High Tree Drive	Macclesfield

Application reference number (this must be correctly formatted: for example 10/1234M): 16/5625M

Application site address: ROUGH HEYS FARM
ROUGH HEYS LANE
HENBURY
CHESHIRE
SK11 9PF

What do you wish to do?: Object to the proposal

Please make your comments: I make these comments on behalf of The Henbury Society. We wrote to you on 21 December 2016 advising you that, from the loss of greenbelt standpoint, we have no objections to the building of a small number of houses on this site and the reduction of numbers from fourteen to twelve has not changed our position. However we are very very disappointed that the developer has reduced the number of affordable houses to three when small houses are in such short supply in the parish.

However we are horrified that no new measures have been introduced into this Planning Application to address the traffic hazard at the junction of Chelford Road and Rough Heys Lane and the inevitable devastation of the single track Dark Lane by traffic from this development which were pointed out to you our letter of 21 December 2016. We urge you to re assess the traffic access to this development and introduce measures to protect both pedestrians and motorists in Rough Heys Lane and pedestrians and motorists as well the beautiful grass verges in Dark Lane.
