Only 7 replies were received following the article which was placed on the website re whether the Henbury Society should continue, and if so, what new initiatives could it take on, or disband. The website will continue to be funded by the Parish Council and will not be affected if the Henbury Society is disbanded.

Roger is to liaise with the Parish Council and the Millenium Green Trust regarding the replacement and future upkeep of the planters.

In view of the fact that no initiatives have been put forward for the Henbury Society to get involved in it was decided that as of 12<sup>th</sup> October 2021 the Henbury Society will disband.
